## **Data Management and Technology Officer**

Native Title Services Victoria (NTSV) provides professional services to native title claimant groups across Victoria and is committed to achieving real land justice outcomes for Indigenous Victorians.

An exciting opportunity exists at NTSV for a suitably qualified and experienced Information Technology professional.

The prime function of the position is to ensure a stable and secure platform for the ongoing provision of information management services that enhance the efficiency and effectiveness of the organisation.

The main duties will include, but not limited to, the providing and effective IT & communications technology support to NTSV staff, including first level resolution of computer related issues, manage & maintain the day-to-day operations of NTSV's computer equipment (both hardware and software) & network, manage the critical data bases & their support systems, develop NTSV's mapping & GIS capacity.

The position is full-time and a remuneration package will be negotiated dependant on experience.

The job description can be obtained from our website [www.ntsv.com.au](http://www.ntsv.com.au), and further information obtained by contacting Ms Debbie Heeney at NTSV on (03) 9321 5305.

Applications close Friday 13 August 2010 and should be sent to Ms Debbie Heeney at [dheeney@ntsv.com.au](mailto:dheeney@ntsv.com.au) or PO Box 431, North Melbourne, Vic 3051.
